

# COVID-19 Safety Plan

Effective 20/02/2021

## Community sporting competitions and full training activities

We've developed this COVID-19 Safety Plan to help you create and maintain a safe environment for you, your workers, volunteers and visitors.

Complete this plan in consultation with your workers and volunteers then share it with them. This will help slow the spread of COVID-19 and reassure your visitors that they can safely participate in activities. You may need to update the plan in the future, as restrictions and advice changes.

Organisations must follow the current COVID-19 Public Health Orders and manage risks to staff and other people in accordance with Work Health and Safety laws. For more information and specific advice for your industry go to [www.vic.gov.au](http://www.vic.gov.au)

Association and clubs should have COVID-19 Safety Coordinators in place who should ideally be responsible for the completion, review and upkeep of this document.

Wellbeing of staff and visitors	
<b>Exclude staff, volunteers, parents/carers and participants who are unwell:</b>	<p>Before participating in any netball activity, we have advised all players, team officials, parents/carers and other Association/club members they must not attend training or matches, if in the past 14 days if they have:</p> <ul style="list-style-type: none"><li>- been unwell or had any flu-like symptoms, or</li><li>- been in contact with a known or suspected case of COVID-19, or</li><li>- any sudden loss of smell or loss of taste, or</li><li>- are at a high risk from a health perspective, including the elderly and those with pre-existing medical health conditions.</li></ul> <p>We have advised that they should check the VIC Government website for advice regarding the full list of symptoms associated with COVID-19 infection: <a href="https://www.vic.gov.au/covid-19/symptoms-and-testing">https://www.vic.gov.au/covid-19/symptoms-and-testing</a></p>

<p><b>Provide staff and volunteers with information and training on COVID-19, including when to get tested, physical distancing and cleaning, and how to manage a sick visitor:</b></p>	<p>Ensure, as far as reasonably practicable, all identified COVID 19 Safety Coordinators (at minimum) volunteers and staff complete the COVID-19 Infection Control Training  <a href="https://covid-19training.gov.au/login">https://covid-19training.gov.au/login</a></p> <p>We have worked with Netball VIC to promote and encourage the use of the following resources and websites in order to obtain accurate information:</p> <ul style="list-style-type: none"> <li>- Australian Government Department of Health:  <a href="https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert">https://www.health.gov.au/news/health-alerts/novel-coronavirus-2019-ncov-health-alert</a></li> <li>- VIC Government Department of Health:  <a href="https://www.health.vic.gov.au/Infectious/covid-19/Pages/default.aspx">https://www.health.vic.gov.au/Infectious/covid-19/Pages/default.aspx</a></li> <li>- World Health Organisation: <a href="https://www.who.int/">https://www.who.int/</a></li> <li>- Australian Institute of Sport: <a href="https://ais.gov.au/health-wellbeing/covid-19">https://ais.gov.au/health-wellbeing/covid-19</a></li> <li>- Sport Australia: <a href="https://www.sportaus.gov.au/">https://www.sportaus.gov.au/</a></li> <li>- Netball VIC COVID-19 Toolkit: <a href="https://vic.netball.com.au/covid-19-toolkit">https://vic.netball.com.au/covid-19-toolkit</a></li> </ul> <p>Similarly, we have promoted the range of COVID-19 “campaign resources” produced by the Federal Government, including posters outlining hygiene practices (e.g. promoting thorough hand washing) found at:  <a href="https://www.health.gov.au/resources/collections/coronavirus-covid-19-campaign-resources">https://www.health.gov.au/resources/collections/coronavirus-covid-19-campaign-resources</a></p>
<p><b>Make staff aware of their leave entitlements if they are sick or required to self-isolate.</b></p>	<p>Whilst our Association/club’s workforce are volunteers, we have made them aware of the above-mentioned symptoms and stipulated that they should stay away from the association/club and self-isolate in the event that they experience any symptoms.</p>
<p><b>Display conditions of entry (website, social media, venue entry):</b></p>	<p>We will display QR Code at the entry and at appropriate locations around our Association/club house and venue and communicate/remind registration via PA announcements throughout the day.</p> <p>We will display posters, distribute and “share” information about COVID-19 across our digital channels and at appropriate locations around our Association/club house and venue.</p> <p>Where appropriate, we will identify and address potential language, cultural and disability barriers associated with communicating COVID-19 information to players, members and other stakeholders.</p> <p>In conjunction with our state governing body, Netball VIC, we have developed and promoted amongst our members and stakeholders, a range of resources on COVID-19. These can be downloaded <a href="#">here</a>.</p>

Wellbeing of staff and visitors	
<p>If hiring the facility, consult with the owners/operators to address these requirements to understand what measures may already be in place:</p>	<p>We have to date, and will continue to liaise and work with our venue owners - e.g. Local Councils, schools (public/private), or private owners to comply with any specific requirements they may have.</p> <p>We have determined physical distancing protocols to be used within shared facility spaces (e.g. canteen, toilets, club house/rooms and spectator viewing areas), and where appropriate, have clearly marked with tape and/or signage.</p> <p>We have and will continue to encourage individuals to be respectful of shared space, minimise time spent in these areas and observe physical distancing measures.</p> <p>When we conduct our canteen operations, we commit to implementing hygiene and social distancing measures including:</p> <ul style="list-style-type: none"> <li>- marking social distancing for queues and for canteen volunteers;</li> <li>- having hand sanitiser at point of sale;</li> <li>- regularly wipe down counters with detergent/disinfectant;</li> <li>- providing gloves for kiosk volunteers; and</li> <li>- displaying hand washing directions above sinks</li> </ul>
<p>Ensure COVID-19 Safety Plans are in place, where relevant, for:</p> <ul style="list-style-type: none"> <li>• Swimming pools</li> <li>• Gyms</li> <li>• Restaurants and cafes</li> </ul>	<p>We will implement the necessary protocols for the conduct of our canteen operations.</p> <p>N/A Pool or Gymnasium</p>
<p>Ensure processes are in place to exclude participants (including spectators and officials) if they have attended any of the reported case locations listed on the VIC Health website (<a href="https://www.vic.gov.au/covid-19/latest-news-and-updates">nsw.gov.au/covid-19/latest-news-and-updates</a>).</p>	<p>We will regularly (weekly) communicate - and require clubs attending our venue to communicate to their members - that any players, team officials, parents/careers and other Association or Club members <b>must not attend</b> training or matches, if they have attended a reported case location.</p> <p>We will encourage everyone attending the venue to view the VIC Health website prior to attending to double-check the latest case locations at: <a href="https://www.vic.gov.au/covid-19/latest-news-and-updates">https://www.vic.gov.au/covid-19/latest-news-and-updates</a></p> <p>This will be done through a combination of emails, direct communication (ie Team App etc), PA announcements, social media, and signage.</p>
<p>Take all reasonable steps to minimise the number of spectators attending community sport events.</p>	<p>Wherever possible we will minimise entry to the venue. We understand this is not always possible, but we will endeavor to educate our members to be sensible in these exceptional times.</p> <p>Spectators not from the same household will be reminded to social distance on the sidelines of all games and in the congregation areas throughout the day. This will be done through PA announcements, social media, direct communication and signage.</p>

<p><b>If sufficient numbers to field teams cannot be achieved, prioritise delaying the event rather than substituting with people from other teams or from the community.</b></p>	<p>We will promote and communicate the importance of the wellbeing of our members and have amended our competition rules to suit this situation, such as deeming affected matches a 'draw' rather than a 'forfeit'. We will ensure that teams do not borrow players from other teams to be able to compete in matches.</p> <p>Wherever possible we will not allow players to substitute into another team and will not punish teams who are unable to play due to COVID-19 restrictions.</p>

REQUIREMENTS	ACTIONS												
<b>Physical distancing</b>													
<p><b>Ensure the number of people in a facility does not exceed physical distancing guidelines to a maximum of 1000 people:</b></p>	<p><b>Proposed maximum total number per court: (Not including spectators)</b></p> <table border="1" data-bbox="512 1008 1260 1232"> <tr> <th></th><th><b>Num.</b></th></tr> <tr> <td>Players (7) and substitutes (3) x 2</td><td>20</td></tr> <tr> <td>Coaches and Team Staff (2 per team)</td><td>4</td></tr> <tr> <td>Umpires</td><td>2</td></tr> <tr> <td>Scorers</td><td>2</td></tr> <tr> <td><b>Average sum of people per game</b></td><td><b>28</b></td></tr> </table> <p>The minimum number per court will be dependent on each Association's venue (ie number of courts in operation and configuration). Numbers should not increase from 28 people, however this needs to be monitored carefully.</p> <p>It is understood that not all teams will have 10 players, nor 3 support staff for teams. This will allow teams at their discretion to increase spectators numbers per court, in consultation with Associations.</p> <p><b>Consideration around the 1000 participants</b></p> <p>The current Public Health Order directs the organiser of a community sporting activity must ensure that gathering for the activity involved has no more than 1000 participants, at any one time.</p> <p>Participants include the following</p> <ul style="list-style-type: none"> <li>a) A person engaged in the sporting activity</li> <li>b) An official involved in the conduct or organization of the sporting activity</li> <li>c) A spectator of the sporting activity</li> </ul>		<b>Num.</b>	Players (7) and substitutes (3) x 2	20	Coaches and Team Staff (2 per team)	4	Umpires	2	Scorers	2	<b>Average sum of people per game</b>	<b>28</b>

	<p>In order to ensure compliance, the following options will be used as required:</p> <ul style="list-style-type: none"> <li>• Longer gaps between games</li> <li>• Ensure there is a safe drop off and pick up point for participants, similar to “kiss and drop” at schools</li> <li>• Organised collection points for participants for coaches/managers of teams</li> <li>• Limiting the number of courts in use at any one time</li> <li>• Trainings conducted across multiply days</li> <li>• Splitting of venue into separate discrete areas</li> </ul>

This could be through the use of physical barriers.</p>
<p><b>Comply with 1.5 metre physical distancing where practical, through staggered seating. Those who live in the same household are not required to distance. Have strategies to prevent spectators from different matches and timeslots co-mingling.</b></p>	<p>We will take the necessary precautions to minimise the risk of transmission including the dispersion of spectators around the perimeter of the court and across a range of viewing areas and designating the use of specific seats/areas that meet physical distancing requirements and erecting signage to advise.</p> <p>We will encourage players and spectators to leave the facility as soon as possible following the conclusion of their training/matches.</p>
<p><b>Have strategies in place to manage gatherings that may occur immediately outside the premises, such as staggered start/finish times:</b></p>	<p>We will stagger arrival and/or departure times where possible for different groups and teams, and within the constraints of the venue design, manage entry and exit points to allow a seamless flow of players/coaching staff and parents/spectators through the venue to limit the risk of overlap and congestion.</p>

<b>Reduce crowding wherever possible and promote physical distancing with markers on the floor:</b>	<p>We will promote and communicate the importance of social distancing of 1.5 metres between spectators (e.g parents/carers). This will be done through PA announcements, marked seating, social media, direct communication and signage.</p> <p>We will indicate the number of people that can occupy indoor spaces including toilets, change rooms, canteen, club rooms etc.</p>
<b>Assess the safe capacity of communal facilities such as showers, change rooms and lockers. Communicate this at their entrance and have strategies in place to reduce crowding and promote physical distancing:</b>	<p>We will limit the use of indoor areas to essential players and team officials and clean these spaces regularly.</p> <p>We will indicate the number of people that can occupy indoor spaces including toilets, change rooms, canteen etc.</p> <p>Toilets will be open and a regular cleaning roster is to be maintained to also include frequently touched surfaces such as door handles, taps, etc.</p> <p>We also commit to collaborating with our Competition Administrator to request Councils increase the regularity that they clean public amenities.</p> <p>We will limit the use of all inside areas to essential players and team officials and clean regularly.</p> <p>We will encourage all participants to apply strapping, shower/change at home where possible.</p>
